

**CBI GROUP  
Arizona Acquisition Fund**

February 26<sup>th</sup>, 2010

**CBI Group announces the closing of the Arizona Acquisition Fund scheduled for February 26th has been delayed for residents of Quebec.**

This delay relates to the unfortunate timing inconsistencies between the completion of translating the Offering Memorandum from English to French and the anticipated closing date.

We expect to process this closing within the next 10 days. Once a closing is processed, the affected investors will receive a copy of the updated OM and a letter specifying the closing date and outlining when to expect to receive their certificates.

We will work diligently to complete the investment of all affected investors and prevent this complication from occurring again in the future.

If you may be one of the investors affected by this delay and have any questions regarding your investment, we encourage you to contact Bill Adams, Director, Retail Sales & Business Development, at [bill@cbigroupinvestments.com](mailto:bill@cbigroupinvestments.com) or by calling 1.613.782.5736.

Regards,

Bill Adams
